

Visitartist.com is looking for a

Payment Processing Specialist

Trainee / Volunteer position

Visitartist is an emerging sharing economy service that helps artists and other creatives around the world to rent or swap their private studios and homes. Through our platform, which is soon to be launched, the international community of artists will be able to find ways to travel and work and to expand their international network. We would like you to join us on that journey and to help us develop the payment infrastructure.

You will:

- Help us make a fully integrated payment gateway work from acquiring bank through PSP to our merchants account
- Bill customers on a recurring basis
- Help us develop an adequate bookkeeping system
- Engage with customer service and our technical development team.

We're looking for someone who has:

- 2-5 years account experience in eCommerce industry
- Experience handling Stripe's or PayPal's payment processing platform
- Ability to understand complex requirements and craft custom solutions
- Both analytical and creative capabilities
- Ability to operate in an ambiguous and fast-paced environment
- Strong interest in new sharing economy services
- Fluent English proficiency – Danish would be good too, but is not a requirement

You should include these in your application:

- A resume or LinkedIn profile
- A cover letter that will tell us about yourself and your motivation for applying for this position.

We can offer:

- A trainee position in a small startup that seeks to enhance the travel and work opportunities for the world of artists and other creatives
- A handful of new colleagues eager to meet you and work with you in Copenhagen
- A chance for you to add a new working experience to your resume and hopefully open up to future job opportunities in Denmark and abroad.

Want to know more:

- Write to fh@visitartist.com, which is also where you would send your application

Best regards
